and it is an important commercial place The income under octroi and Toll amounts to Rs 18,000/- p a It would perhaps be in the interest of the Municipality to have an officer of higher status than that of a Revenue Inspector for the Supervision of Collections and attending to the executive duties of the Municipality It is therefore submitted that a Chief officer of the second grade (on Rs 80 - 4 - 100) would be desirable for being posted to this Municipality But recently, the Municipal Council in question had resolved that there was no need for the appointment of a Chief officer at the place

It is for consideration if the Govt may not be addressed to reconsider the question of having instead of a Rev Insp a Chief officer, ~~which would be~~ in the interest of the Municipality Submitted for orders

No useful purpose would perhaps be served by pursuing the matter further, as the Taxation Commissioner is opposed to the measure. In the circumstances, the proposal of the D.C. Tumkur visit to appoint the Revenue Inspector - in fact it is a continuance of the appointment already made by him - till the end of June 1942 and a report called for at the end of that period as to what the arrangement has worked & how much of the arrears has been collected
